<u>Important Instructions regarding online Registration and counselling</u>

Candidates are required to go through the instructions carefully before attempting for online registration and choice filling.

1. Online registration and participation in choice-filling within the stipulated time period is mandatory to claim a seat by a candidate.

2. Online Registration and Choice filling should be done using the link https://jeeonline.tripura.gov.in/ by login candidate's own account using Registration ID and Password. The link is also available in TBJEE website www.tbjee.nic.in

3. Provide the Total Marks Obtained (out of 500) in H.S.(+2) exam. or equivalent Exam. However, give the input for subject-wise mark of English, Physics, Chemistry and Mathematics for PCM group and English, Physics, Chemistry and Biology for PCB group. Biology may be considered as fifth subject for PCM group candidates and Mathematics may be considered for PCB group candidates. However, if any candidate wants to register for both PCM and PCB group then the marks for all subjects (English, Physics, Chemistry, Mathematics and Biology) should be given in the registration form.

4. Marks obtained in Computer Science / Biotechnology can be given in registration form at appropriate places as indicated therein. There is no scope for the input of marks obtained in Physical Education / Painting etc. & hence, the related information need not be given by the candidate during online registration.

5. Candidate MUST be passed in Theory and Practical separately for Physics, Chemistry, Biology and Mathematics (if applicable). If any candidate is failed in either Theory or Practical in any subject of respective group (PCM or PCB), he/she is not eligible to get a seat from that Group. More importantly, if any candidate is failed in either Physics or Chemistry, he is not eligible to get a seat through TBJEE counselling.

6. Upload the necessary documents (JPG/JPEG/PDF and max 500 kb size for each document) and SAVE the page.

7. After SAVE, check the registration form carefully and then Click on FINAL SUBMISSION button.

8. You cannot edit the registration form after the Final submission.

9. Following documents to be uploaded during the online registration and original are required at the time of nomination & admission process.
